Career Objective

A passionate and tech-savvy individual with a strong background in ICT, digital marketing, and web development. I am eager to inspire and educate students in technology, fostering creativity and digital literacy in the classroom.

Education

- BTech in Creative Media – Pearson
- Certificate II in Information Technology – CTVET
- Google Fundamentals of Digital Marketing – Google Digital Garage

Skills

- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint)
- Database Management and data handling
- Coding & Web Development: HTML, CSS, basic JavaScript
- Digital Marketing and online communication strategies
- Strong communication and teamwork abilities
- Creative content development and media design

Practical Experience

- Collaborated with peers to build web projects and improve coding skills.
- Tutored classmates on basic computer skills, web tools, and project presentations.
- Applied digital marketing and communication strategies in small tech projects.

Achievements & Strengths

- Demonstrated leadership and initiative in group projects.
- Excellent communication and mentoring skills.
- Quick learner with adaptability to new technologies.
- Passionate about education, innovation, and youth empowerment through ICT.
