Portfolio: <https://samuelofosu.vercel.app>

Objective

Motivated and fast-learning aspiring professional with hands-on skills in front-end web development, digital marketing, and a strong grasp of financial literacy concepts. Currently seeking an internship opportunity to apply creative and technical skills in a real-world environment. Experienced in building responsive websites using HTML and CSS, supporting online campaigns through content creation and social media, and simplifying financial topics for broader audiences. Eager to contribute to a dynamic team and continue learning in a supportive, high-impact organization.

Technical Skills

- Languages & Frameworks: HTML, CSS, JavaScript, Tailwind CSS
- Design Tools: Figma,
- Analytics Tools: Google Analytics
- Soft Skills: Teamwork, Creativity, Communication

Projects

To-Do List Web App

- Developed a functional to-do list application with add/delete features.

Tourism in Ghana

- Created a website showcasing tourism highlights and cultural attractions across Ghana.

Budgeting Website (50-30-20 Rule)

- Developed a budgeting tool to help users allocate their income using the 50-30-20 rule (needs, wants, savings).
